## 1) Publications

### Publications arising from the Lililwan Project

Lucas BR, Latimer J, Doney R, Watkins RE, Tsang TW, Hawkes G, Fitzpatrick JP, Oscar J, Carter M, Elliott EJ. Gross motor performance in children prenatally exposed to alcohol and living in remote Australia. *J Paediatr Child Health*. 2016 Jul 20. [In press].

Lucas BR, Latimer J, Fitzpatrick JP, Doney R, Watkins RE, Tsang TW, Jirikowic T, Carmichael Olson H, Oscar J, Carter M, Elliott EJ. Soft neurological signs and prenatal alcohol exposure: a population-based study in remote Australia. *Dev Med Child Neurol*. 2016 Mar 15. [In press].

Lucas BR, Doney R, Latimer J, Watkins RE, Tsang TW, Hawkes G, Fitzpatrick JP, Oscar J, Carter M, Elliott EJ. Impairment of motor skills in children with fetal alcohol spectrum disorders in remote Australia: The Lililwan Project. *Drug Alcohol Rev*. 2016 Feb 16. [In press].

Lucas BR, Elliott EJ, Coggan S, Pinto RZ, Jirikowic T, McCoy SW, Latimer J. Interventions to improve gross motor function for children with fetal alcohol spectrum disorders: meta-analysis. *BMC Pediatr*. [Submitted for publication].

Doney R, Lucas BR, Jirikowic T, Tsang TW, Watkins RE, Sauer K, Howat P, Latimer J, Fitzpatrick JP, Oscar J, Carter M, Elliott EJ. Graphomotor skills in children with prenatal alcohol exposure and Fetal Alcohol Spectrum Disorder: A population-based study in remote Australia. *Australian Journal of OT*. [In press].

Doney R, Lucas BR, Watkins RE, Tsang TW, Sauer K, Howat P, Latimer J, Fitzpatrick JP, Oscar J, Carter M, Elliott EJ. Visual-motor integration, visual perception and fine motor coordination in a population of children with high levels of Fetal Alcohol Spectrum Disorder. *Research in developmental disabilities*. 2016;55:346-57.

Doney R, Lucas BR, Watkins RE, Tsang TW, Sauer K, Howat P, Latimer J, Fitzpatrick JP, Oscar J, Carter M, Elliott EJ. Fine motor skills in a population of children in remote Australia with high levels of prenatal alcohol exposure and Fetal Alcohol Spectrum Disorders. *BMC Pediatrics*. [in press].

Tsang TW, Lucas BR, Carmichael Olson H, Pinto RZ, Elliott EJ. Prenatal Alcohol Exposure, FASD, and Child Behavior: A Meta-analysis. *Pediatrics*. 2016;137(3):1-20.

Fitzpatrick JP, Latimer J, Carter M, Oscar J, Ferreira ML, Carmichael Olson H, Lucas BR, Doney R, Salter C, Try J, Hawkes G, Fitzpatrick E, Hand M, Watkins RE, Martiniuk AL, Bower C, Boulton J, Elliott EJ. Prevalence of fetal alcohol syndrome in a population-based sample of children living in remote Australia: the Lililwan Project. *J Paediatr Child Health*. 2015;51(4):450-7.

Fitzpatrick JP, Latimer J, Ferreira ML, Carter M, Oscar J, Martiniuk AL, Watkins RE, Elliott EJ. Prevalence and patterns of alcohol use in pregnancy in remote Western Australian communities: The Lililwan Project. *Drug Alcohol Rev*. 2015;34(3):329-39.

Doney R, Lucas BR, Jones T, Howat P, Sauer K, Elliott EJ. Fine motor skills in children with prenatal alcohol exposure or Fetal Alcohol Spectrum Disorder. *J Dev Behav Pediatr*. 2014;35(9):598-609.

Lucas BR, Latimer J, Pinto RZ, Ferreira ML, Doney R, Lau M, Jones T, Dries D, Elliott EJ. Gross motor deficits in children prenatally exposed to alcohol: a meta-analysis. *Pediatrics*. 2014;134(1):e192-209.

Lucas BR, Latimer J, Doney R, Ferreira ML, Adams R, Hawkes G, Fitzpatrick JP, Hand M, Oscar J, Carter M, Elliott EJ. The Bruininks-Oseretsky Test of Motor Proficiency-Short Form is reliable in children living in remote Australian Aboriginal communities. *BMC Pediatr*. 2013;13:135.

Salter C. Conducting communication assessments with school aged Aboriginal children in the Kimberley region of Australia. *Australian review of applied linguistics*. 2013;36(3):316-334.

Fitzpatrick JP, Latimer J, Ferreira M, Martiniuk AL, Peadon E, Carter M, Oscar J, Carter E, Kefford M, Shandley R, Yungabun H, Elliott EJ. Development of a reliable questionnaire to assist in the diagnosis of Fetal Alcohol Spectrum Disorders (FASD). *BMC Pediatr*. 2013;13:33.

Fitzpatrick JP, Elliott EJ, Latimer J, Carter M, Oscar J, Ferreira M, Olson HC, Lucas B, Doney R, Salter C, Peadon E, Hawkes G, Hand M. The Lililwan Project: study protocol for a population-based active case ascertainment study of the prevalence of fetal alcohol spectrum disorders (FASD) in remote Australian Aboriginal communities. *BMJ Open*. 2012;2(3).

Elliott E, Latimer J, Fitzpatrick J, Oscar J, Carter M. There's hope in the valley. *J Paediatr Child Health*. 2012;48(3):190-2.

Latimer J, Elliott E, Fitzpatrick J, Ferreira M, Carter M, Oscar J, Kefford M. Marulu, The Lililwan Project: Fetal Alcohol Spectrum Disorders (FASD) Prevalence Study in the Fitzroy Valley: A Community Consultation. The George Institute for Global Health 2010. ISBN: 978-0-646-53390-2.

### Publications highlighting the Lililwan Project

McLoughlin F, Hadgraft NT, Atkinson D, Marley JV. Aboriginal health research in the remote Kimberley: an exploration of perceptions, attitudes and concerns of stakeholders. *BMC Health Serv Res.* 2014;14:517.

### 3) Postgraduate Students

Robyn Doney  
PhD student  
School of Public Health, Curtin University of Technology, Perth, Australia  
Robyn is supported by an Australian Postgraduate Award, a Curtin University Postgraduate Scholarship and Faculty Postgraduate Award

Philippa Dossetor  
PhD student  
Clinical Medical School, College of Medicine, Biology & Environment, Australian National University, Canberra, ACT, Australia  
Discipline of Paediatrics and Child Health, Sydney Medical School, University of Sydney, Sydney, Australia  
Philippa is supported by a Poche Centre for Indigenous Health Scholarship, Sydney School of Public Health, the University of Sydney, Sydney, Australia

Emily Fitzpatrick  
PhD student  
Discipline of Paediatrics and Child Health, Sydney Medical School, University of Sydney, Sydney, Australia

James P Fitzpatrick  
PhD student (awarded 2015)  
Discipline of Paediatrics and Child Health, Sydney Medical School, University of Sydney, Australia  
The George Institute for Global Health, Sydney Medical School, University of Sydney, Australia  
Telethon Kids Institute, The University of Western Australia, Perth, Australia

Barbara R Lucas  
PhD student (awarded 2016)  
Discipline of Paediatrics and Child Health, Sydney Medical School, University of Sydney, Australia  
The George Institute for Global Health, Sydney Medical School, University of Sydney, Australia  
Physiotherapy Department, Royal North Shore Hospital, Sydney, Australia  
Barbara is supported by a Poche Centre for Indigenous Health Fellowship, Sydney School of Public Health, the University of Sydney

June Oscar  
PhD student  
University of Notre Dame, Broome, Australia  
Marninwarntikura Women's Resource Centre, Fitzroy Crossing, Australia

Zoe Laing-Aiken  
Summer Research Scholarship student  
Northern Clinical School, Sydney Medical Program, the University of Sydney, Sydney, Australia

### 4) Contributions to Government and Policy

#### Inquiries

Elliott EJ, Latimer J, on behalf of the Lililwan Project Team. Public hearing. Senate Finance and Public Administration References Committee's Inquiry into Legal Assistance Services. State Library of New South Wales, Sydney, Australia. 2015 Sep 23.

Elliott EJ, Latimer J, on behalf of the Lililwan Project Team. Submission to the Senate Finance and Public Administration References Committee's Inquiry into Legal Assistance Services. 2015 Sep 23.

Elliott EJ, Latimer J, on behalf of the Lililwan Project Team. Submission to the Legislative Assembly of the Northern Territory Select Committee on Action to Prevent Foetal Alcohol Spectrum Disorder. 2014 Jun.

Elliott EJ, Latimer J, on behalf of the Lililwan Project Team. Submission to The House of Representatives Standing Committee on Indigenous Affairs. Inquiry into the harmful use of alcohol in Aboriginal and Torres Strait Islander communities. Submission No 90. 2014 Apr. Available from:

### Committees

Elliott EJ. Member, International Expert Planning Committee. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7.

Elliott EJ (Chair); Latimer J (Member); Oscar (Member). Australian FASD Technical Network. 2014-17.

Elliott EJ. Member, Expert Advisory Group. 6<sup>th</sup> International Conference of FASD in Adults and Adolescents. Vancouver, Canada. 2014.

Elliott EJ. Member, Organising Committee. Australasian FASD Congress. Brisbane, Australia. 2013 Nov.

Elliott EJ. Member, International Committee. Charter for FASD Prevention. Edmonton, Canada. 2013 Sept.

Elliott EJ. Member, Royal Australasian College Physicians Alcohol Policy Working Group. Sydney, Australia. 2013

Elliott EJ. Chair, Scientific Program Committee. International Congress of Pediatrics 2013 (ICP). The 27<sup>th</sup> Congress of the International Pediatric Association. Bridging the Gaps in Child and Adolescent Health. Melbourne, Australia. 2013 Aug 24-29.

Elliott EJ. Member, NSW Health Fetal Alcohol Spectrum Disorders Working Group.

Elliott EJ. Member, World Health Organisation Guidelines Development Group to develop the WHO guidelines on the identification and management of substance use and substance use disorders in pregnancy. 2013.

Elliott EJ. Member, Alcohol Guidelines Project Working Group. Foundation for Alcohol Research and Education. 2013 Mar.

Elliott EJ. Member, International Expert Planning Committee. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Vancouver, Canada. 2013 Feb 27-Mar 2.

Elliott EJ. Member, Scientific Committee to oversee conduct of international prevalence study of Fetal Alcohol Spectrum Disorders initiated by the World Health Organisation. 2013.

<b>Committees (continued)</b>
Elliott EJ. Member, International Advisory Group to review the current diagnostic criteria and develop internationally accepted guidelines for the diagnosis of Fetal Alcohol Spectrum Disorders. Vancouver, Canada. 2013.
Elliott EJ. Executive Academic Working Group. Poche Centre for Indigenous Health, Sydney Medical School, University of Sydney.
Elliott EJ, Fitzpatrick JP, Latimer J. Members. National FASD Collaboration to develop diagnostic and screening tools for FASD.
Carmichael Olson H. Member, USA Federal-Level Interagency Coordinating Council on Fetal Alcohol Spectrum Disorders (ICCFASD), and Diagnostic Workgroup Developing DSM-5 Diagnostic Criteria for Neurodevelopmental Disorder Associated with Prenatal Alcohol Exposure. Coordinated by the National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism. Ongoing.
Carmichael Olson H. Member, Substance Abuse and Mental Health Services Administration, FASD Center for Excellence, Administrative Consensus Expert Panel and Field Reviewer. Treatment Improvement Protocol (TIP): FASD. (Federal-level committee of experts writing the TIP on FASD diagnosis and intervention for USA substance abuse treatment centers and mental health agencies). 2012-13.

Education and Health Standing Committee. Foetal Alcohol Spectrum Disorder: the invisible disability. The Lililwan Project – a snapshot of FASD in the Kimberley. Report No. 15. 2012 Sept.
Meeting with Leigh Westcott, Assistant Director, Alcohol Section, Drug Strategy Branch, Department of Health and Ageing. 2012 Sep.

## 5) Awards and Prizes

Elliott EJ. Royal Society of Medicine International Fellowship. Fetal Alcohol Spectrum Disorder. London, United Kingdom. 2014 Jan.

Elliott EJ. Finalist. The Australian Financial Review and Westpac Group 100 Women of Influence Awards. 2012.

Oscar J. Awarded the Desmond Tutu Reconciliation Fellowship. Melbourne Town Hall, Australia. 2016 May 19.

Oscar J. The Australian Financial Review and Westpac Group. 100 Women of Influence Awards. Awarded in the Social Enterprise and Not-for-Profit category. 2013.

Oscar J. Awarded Officer of the Order of Australia. 2013 Sep.

Oscar J. Awarded International Bursary. 1<sup>st</sup> Congress on FASD Prevention. Alberta, Canada. 2013 Sep 24.

Oscar J, Carter E. White Pages Award. Marninwarntikura Women's Resource Centre. 2012.

Fitzpatrick JP. Awarded Best Oral Presentation. The Lililwan Project: Neurodevelopmental outcomes and Fetal Alcohol Spectrum Disorders (FASD) in remote Australian Aboriginal children. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Fitzpatrick JP. Awarded Foundation for Alcohol Research and Education Scholarship for attending the 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Fitzpatrick JP. The Royal Australasian College of Physicians. PCHD Wiley New Investigator Award for Research Excellence. Cairns, Australia. 2015 May 25.

Fitzpatrick JP. The University of Sydney Medical School Postgraduate Research Support Scheme. Partial funding for attending the 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7.

Lucas BR. Awarded Career Development Grant. Research Foundation of Cerebral Palsy Alliance – 2015 Grants Program. Application for the Project: CDG6115 – Gross motor performance and prenatal alcohol exposure: effects and intervention. 2015 Dec 8.

Lucas BR. The University of Sydney Medical School Postgraduate Research Support Scheme. Partial funding for attending the 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7.

Lucas BR. Awarded Foundation for Alcohol Research and Education Scholarship for attending the 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Lucas BR. The University of Sydney Medical School 2014 Lifespan Research Day. 1<sup>st</sup> prize for student short oral presentation Gross Motor Performance in children living in remote Australia – a population-based study. Sydney, Australia. 2014 Nov 3.

Lucas BR. The University of Sydney Medical School Postgraduate Research Support Scheme. Partial funding for attending the Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20.

Lucas BR. The University of Sydney Medical School Postgraduate Research Support Scheme. Partial funding for attending the 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2013 Feb 27-Mar 2.

Lucas BR. Awarded Poche Centre for Indigenous Health Fellowship. Motor function in FASD: The Lililwan Project. 2012-3.

Lucas BR for the Lililwan Project team. Proposal: Yakanarra Play Equipment. FaHCSIA funded to be developed as a community project alongside Marra Worra Worra. 2012 Jul.

Doney R. Awarded Best Paper. Fetal Alcohol Spectrum Disorders and fine motor skills: A population-based study of Aboriginal children in remote Australia. The Mark Liveris Health Sciences Research Student Seminar. Curtin University, Perth, Western Australia. 2015 Sep 3.

### Awards and Prizes (continued)

Doney R. Awarded Foundation for Alcohol Research and Education Scholarship for attending the 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Tsang TW. Awarded Best Poster Presentation. Digital assessment of the facial phenotype for fetal alcohol syndrome in Australian Aboriginal children: Reliability and agreement. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Tsang TW. Awarded Foundation for Alcohol Research and Education Scholarship for attending the 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21.

Tsang TW. Awarded an Early Career Researcher Overseas Travel Grant, Sydney Medical School, The University of Sydney. 2014.

Dossetor PJ. Awarded Poche Centre for Indigenous Health Scholarship. Health Service Use and Needs: The Lililwan Project. 2013.

Variety – the Children’s Charity and Kimberley Diamond Company supporting the Marulu Strategy. 2013 Jul. Available from: <http://www.youtube.com/watch?v=cegTvwWJjpY&feature=youtu.be>

## 7) Presentations

Oscar J. 2016 APSAD Scientific and Drug Conference. Four Points by Sheraton. Sydney, Australia. 2016 Oct 30-Nov 2 (*Keynote speaker*).

Elliott EJ. Fetal Alcohol Spectrum Disorders in Australia: Lessons from the Lililwan Project. European Conference on FASD 2016. London, United Kingdom. 2016 Sep 12-15. (*Keynote address*).

Oscar J. Disrupted Festival of Ideas: Subject to Change. In Conversation. State Library of Western Australia. Perth, Australia. 2016 Jul 30. (*Invited*).

Elliott EJ. Understanding the impact of Foetal Alcohol Spectrum Disorder (FASD) in Australia. Children's Court|Clinic 15 Year Anniversary Celebration Symposium. The Children's Hospital at Westmead, New South Wales, Australia. 2016 Jul 22. (*Keynote address*).

Elliott EJ. Diagnosing Fetal Alcohol Spectrum Disorder in the perinatal period: What is required? Perinatal Society ANZ. Townsville, Queensland, Australia. 2016 May 25. (*Keynote address*).

Lucas BR. Motor performance, prenatal alcohol exposure and fetal alcohol spectrum disorders in Aboriginal children in remote Australia. Poche Centre for Indigenous Health Executive Academic Working Group. 2016 May 25. (*Oral presentation*).

Oscar J. 2016 Families Australia Oration. Healing to thrive: building the collective strengths of our families for positive generational change. Child Aware Approaches Conference. Brisbane Convention and Exhibition Centre, Queensland, Australia. 2016 May 23-24. (*Keynote speaker*).

Oscar J. Alcohol, Tobacco and Other Drugs Council of Tasmania 2016 Conference – Rethinking Prevention: a broader agenda. Hotel Grand Chancellor, Hobart, Tasmania. 2016 May 12-13. (*Keynote speaker*).

Elliott EJ. Women, Pregnancy, Alcohol and the Unborn child. Practice Change to Address Antenatal Care Regarding Alcohol and Pregnancy. NHMRC Partnership Grant Meeting. 2016 May 6. (*Invited*).

Oscar J, Carter E. Working to free Fitzroy Crossing from Foetal Alcohol Spectrum Disorder: a successful place-based program. Plenary Session 5: Improving the Health and Wellbeing of Indigenous Children. Caring for Country Kids. Alice Springs Convention Centre, Northern Territory, Australia. 2016 Apr 19. (*Keynote address*).

Lucas BR. Gross motor performance in children prenatally exposed to alcohol and living in remote Australia. 8<sup>th</sup> Biennial Scientific Conference of the Australasia Academy of Cerebral Palsy and Developmental Medicine. Adelaide, South Australia. 2016 Mar 31. (*Oral presentation*).

Lucas BR. Interventions to Improve Gross Motor Performance in Children with Neurodevelopmental Disorders: a Meta-analysis. 8<sup>th</sup> Biennial Scientific Conference of the Australasia Academy of Cerebral Palsy and Developmental Medicine. Adelaide, South Australia. 2016 Mar 30-Apr 2. (*Oral presentation*).

Elliott EJ. Workshop: Managing children with FASD in the classroom. 3<sup>rd</sup> International Conference in Learning Difficulties and Disabilities. Auckland, New Zealand. 2016 Jan 26-28. (*Invited*).

## Presentations (*continued*)

Elliott EJ. Ministry of Health New Zealand FASD Clinicians Meeting. Report on Australian experience in clinical guideline development and facial norms and their relevance for New Zealand. Auckland, New Zealand. 2016 Jan 25. (*Invited*).

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) in Fitzroy Crossing. UWS 401047 Physiotherapy School 4<sup>th</sup> year students. University of Western Sydney, New South Wales, Australia. 2016 Jan 22. (*Invited*).

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) in Fitzroy Crossing. ACU PHTY 400 Physiotherapy School 2<sup>nd</sup> year students. Australian Catholic University, North Sydney, Australia. 2016 Jan 18. (*Invited*).

Doney R. Fine motor skills of children in remote Western Australia: Are they different in children with Fetal Alcohol Spectrum Disorders? WA Occupational Therapy Association Conference. Perth, Western Australia. 2015 Oct 30. (*Oral presentation*).

Elliott EJ. Fetal Alcohol Spectrum Disorders in Australia. Lessons from the Lililwan Project. Health Professional Forum. Broken Hill, New South Wales, Australia. 2015 Oct 29. (*Keynote address*).

Elliott EJ. Using research to inform clinical and public health challenges in addressing FASD in Australia. 2015 Lifespan Postgraduate Research Symposium, Sydney Medical School, The University of Sydney. 2015 Oct 1. (*Keynote speaker*).

Lucas BR. Interventions to improve gross motor function for children with fetal alcohol spectrum disorders: meta-analysis. 2015 Lifespan Postgraduate Research Symposium, Sydney Medical School, The University of Sydney. 2015 Oct 1. (*Oral presentation*).

Doney R. Fetal Alcohol Spectrum Disorders and fine motor skills: A population-based study of Aboriginal children in remote Australia. The Mark Liveris Health Sciences Research Student Seminar. Curtin University, Perth, Western Australia. 2015 Sep 3. (*Oral presentation*)

Elliott EJ. The Lililwan Project: FASD in the Fitzroy Valley. An example of research with Indigenous communities. The University of Sydney Graduate Medical Program. 2015 Sep. (*Invited*).

Lucas BR. Soft neurological signs and prenatal alcohol exposure: a population-based study in remote Australia. Postgraduate Research Student Conference. Rydges Parramatta, Sydney, Australia. 2015 Aug 24. (*Oral presentation*).

Elliott EJ. Clinical and Public Health Challenges in Addressing FASD. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Fitzpatrick J. The Lililwan Project: Neurodevelopmental outcomes and Fetal Alcohol Spectrum Disorders (FASD) in remote Australian Aboriginal children. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Lucas BR. Soft neurological signs and prenatal alcohol exposure: a population-based study in remote Australia. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Elliott EJ. FASD research in remote Aboriginal Australia. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Doney R. Visual-motor integration impairment and FASD: A population-based study of children in the Fitzroy Valley. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Fitzpatrick E. Starting the conversation: seeking consent for research with Indigenous populations. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

Tsang TW. Behaviour problems in children living with an FASD in remote, predominantly Aboriginal Australian communities. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Oral presentation*).

## Presentations (*continued*)

Lucas BR. Gross motor performance in primary school aged children living in high-risk drinking communities in remote Australia – a population based study. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Poster presentation*).

Tsang TW. Behaviour in children with FASD assessed using the Achenbach System of Empirically Based Assessment for school-aged children: A systematic review with meta-analysis. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Poster presentation*).

Tsang TW. Digital assessment of the facial phenotype for fetal alcohol syndrome in Australian Aboriginal children: Reliability and Agreement. 4<sup>th</sup> Asia-Pacific Society for Alcohol and Addiction Research & 5<sup>th</sup> International Drug Abuse Research Society Conference. The Westin, Sydney, Australia. 2015 Aug 18-21. (*Poster presentation*).

Fitzpatrick E. Starting the conversation: seeking consent for research with Indigenous populations. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2015. Sydney, Australia. 2015 Aug 14. (*Invited*).

Lucas BR. Career Pathway: Management, Clinical and Research Routes (including the Lililwan Project). Macquarie University Physiotherapy Doctorate Students. Macquarie University, Sydney, Australia. 2015 Jul 29. (*Invited*).

Tsang TW. Behaviour problems in children with FASD in remote Australian Aboriginal communities: Findings from the Lililwan Project. Sydney Medical School Lifespan Research Day. University of Sydney, Sydney, Australia. 2015 Jul 16. (*Oral presentation*).

Fitzpatrick E. Starting the conversation: seeking consent for research with Indigenous populations. The Royal Australasian College of Physicians Congress 2015 Breaking Boundaries, Creating Connections. Cairns, Australia. 2015 May 26. Candidate for Rue Wright Memorial Prize (*Peer reviewed, Oral presentation*).

Fitzpatrick JP. Prevalence of Fetal Alcohol Syndrome (FAS) in a population-based sample of children living in remote Australia: The Lililwan Project. The Royal Australasian College of Physicians Congress 2015 Breaking Boundaries, Creating Connections. Cairns, Australia. 2015 May 26. (*Oral presentation*).

Tsang TW. Specific behaviour problems in children with FASD in remote Australian Aboriginal communities: implications for intervention. The Royal Australasian College of Physicians Congress 2015 Breaking Boundaries, Creating Connections. Cairns, Australia. 2015 May 26. (*Oral presentation*).

Fitzpatrick JP. Prevalence of fetal alcohol syndrome (FAS) in a population-based sample of children living in remote Australia: The Lililwan Project. The Royal Australasian College of Physicians Congress Breaking Boundaries Creating Connections. Cairns, Australia. 2015 May 25. (*Oral presentation*).

Elliott EJ. Fetal Alcohol Spectrum Disorders. Alcohol and Other Drugs Symposium for GPs and Specialists. Ballina, New South Wales, Australia. 2015 May 9. (*Keynote address*).

Elliott EJ. Impact of Indigenous research into Fetal Alcohol Spectrum Disorders on Clinical Practice and Public Policy: translation of findings from the Lililwan Project. Poche Centre for Indigenous Health: Aboriginal Health Research Showcase. Medical Foundation Building, University of Sydney, Sydney, Australia. 2015 May 5. (*Keynote address*).

Fitzpatrick E. A Systematic Review of Publications Evaluating Communication Methods for Seeking Consent for Research with Indigenous Communities. Poche Centre for Indigenous Health: Aboriginal Health Research Showcase. Medical Foundation Building, University of Sydney, Sydney, Australia. 2015 May 5. (*Oral presentation*).

Lucas B. Gross motor performance in children living in remote Australia – a population-based study. Poche Centre for Indigenous Health: Aboriginal Health Research Showcase. Medical Foundation Building, University of Sydney, Sydney, Australia. 2015 May 5. (*Oral presentation*).

Tsang TW. Behaviour problems in children with FASD in remote Australian Aboriginal communities. Poche Centre for Indigenous Health: Aboriginal Health Research Showcase. Medical Foundation Building, University of Sydney, Sydney, Australia. 2015 May 5. (*Oral presentation*).

Lucas BR. Gross motor performance in children with prenatal alcohol exposure. NSRHS Allied Health Quality and Innovations Day. Kolling Institute Auditorium, Royal North Shore Hospital, St Leonards, Australia. 2015 May 5. (*Invited*).

## Presentations (*continued*)

Lucas BR. Gross motor performance and children with FASD. University of Washington Physiotherapy School, Seattle, Washington. 2015 Mar 10. (*Invited*).

Elliott EJ. Prenatal Alcohol Exposure, Fetal Alcohol Spectrum Disorders (FASD) and life stresses in Aboriginal children in remote Australia: Data from the Lililwan Project. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Peer reviewed*).

Elliott EJ, Ward S for the Women Want to Know Working Group. Women Want to Know: alcohol consumption and pregnancy. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Peer reviewed*).

Fitzpatrick JP. The Lililwan Project: Neurodevelopmental outcomes and Fetal Alcohol Spectrum Disorders (FASD) in remote Australian Aboriginal children. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Peer reviewed*).

Fitzpatrick JP. The Marulu Strategy: 'Making FASD History' in remote Aboriginal communities. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Peer reviewed*).

Lucas BR. Gross and Fine Motor Performance in children exposed prenatally to high levels of alcohol – a population-based study. 90 minute symposium during 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Peer reviewed*).

Tsang TW. Behaviour in children with FASD: A systematic review with meta-analysis of findings from the Achenbach System of Empirically Based Assessment for school-aged children. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Oral presentation*).

Tsang TW. Specific behaviour problems in children with FASD in remote Australian Aboriginal communities: implications for intervention. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Oral presentation*).

Carmichael Olson H. Innovative communication measurement and complementary assessment of neurocognitive outcomes in children with FASD in remote Aboriginal Australia. 6<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder. Research: Results and Relevance 2015 Integrating Research, Policy, and Promising Practice Around the World. Vancouver, Canada. 2015 Mar 5-7. (*Oral presentation*).

Elliott EJ, Oscar J. Key findings from the Lililwan Project provides an evidence-base for the future Marulu strategy. Marulu Strategy Meeting. Broome, Western Australia. 2015 Feb 27. (*Invited*).

Elliott EJ. The Lililwan Project: FASD Prevalence in the Fitzroy Valley. Nulungu Research Institute, The University of Notre Dame, Broome, Western Australia. 2015 Feb. (*Invited*).

Elliott EJ. Lessons from the Lililwan Project. With June Oscar. Nyamba Buru Yawuru Seminar. 2015 Feb. (*Invited*).

Fitzpatrick JP. Close the Gap. TEDxPerth. 2015 Jan 27. Available from: <https://www.youtube.com/watch?v=EEJbB-Ke2tc>

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) In Fitzroy Crossing. UWS 401047 Physiotherapy School 4<sup>th</sup> year students. University of Western Sydney, Sydney, Australia. 2015 Jan 23. (*Invited*).

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) in Fitzroy Crossing. ACU PHTY 400 Physiotherapy School 2<sup>nd</sup> year students. Australian Catholic University, North Sydney, Australia. 2015 Jan 20. (*Invited*).

Lucas BR. Gross motor performance in children with and without acquired brain injury living in remote Australia. Injury Prevention in Aboriginal and Torres Strait Islander People: Prevention Across the Lifespan Symposium. Australian Injury Network Prevention. 2014 Nov 28. (*Invited*).

## Presentations *(continued)*

Lucas BR. Snapshot on alcohol harms and need for action: Children and Families. NSW ACT Alcohol Policy Alliance (NAAPA) Election Platform Launch. NSW Parliament House Theatre, Sydney, Australia. 2014 Nov 25. *(Invited)*.

Lucas BR. Gross Motor Performance in children living in remote Australia – a population based study. The University of Sydney, Sydney Medical School, Lifespan Research Day. Sydney, Australia. 2014 Nov 3. *(PhD student oral presentation)*.

Lucas BR. Motor Performance in children living in remote Australia – a population based study. The University of Sydney Medical School, Lifespan Research Day. Sydney, Australia. 2014 Nov 3. *(PhD student poster presentation)*.

Oscar J. 2014 Memorial Oration keynote speaker: Ms June Oscar AO. Topic: "Turning community action into national policy". Dr Charles Perkins AO 2014 Memorial Oration and Prize. The Great Hall, The University of Sydney, Sydney, Australia. 2014 Oct 16. *(Keynote address)*.

Lucas BR. Motor skills are impaired in Australian children with a FASD – a population-based study. The Poche Institute for Indigenous Health, Sydney Medical School, The University of Sydney, Executive Academic Working Group Meeting. Sydney, Australia. 2014 Sep 9. *(PhD student presentation)*.

Lucas BR. Motor skills are impaired in Australian children with FASD – a population based study. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2014. Sydney, Australia. 2014 Aug 15. *(Invited)*.

Lucas BR. Gross Motor Deficits in Children Prenatally Exposed to Alcohol: A meta-analysis. The George Institute for Global Health Musculoskeletal Division Meeting. Sydney, Australia. 2014 Aug 13. *(Invited)*

Lucas BR. The Lililwan Project and screening of the documentary 'Tristan'. St David's Anglican Church Senior's Luncheon. The Blue Mountains, Katoomba, Australia. 2014 Aug 7. *(Invited)*.

Lucas BR. Career Pathway: Management, Clinical and Research Routes (including the Lililwan Project). Macquarie University Physiotherapy Doctorate Students. Macquarie University, Sydney, Australia. 2014 Aug 6. *(Invited)*.

Elliott EJ. Fetal Alcohol Spectrum Disorders in remote Australia – lessons from the Lililwan Project. Menzies School of Health Research Special Seminar. Royal Darwin Hospital Campus. Darwin, Australia. 2014 Jul 10. *(Invited)*.

Elliott EJ. Alcohol, tobacco, drugs and other substance use: what's the evidence, what's working, what's not, what are the issues and opportunities for the future? Poche Key Thinkers Forum. Darwin, Australia. 2014 Jul 9-11. *(Expert panellist)*.

Elliott EJ. Women, pregnancy and alcohol: The evidence. Women Want to Know Launch. Sydney, Australia. 2014 Jul 1. *(Keynote address)*.

Elliott EJ. University of Sydney Medical Students Indigenous Health Seminar. The University of Sydney, Sydney, Australia. 2014 Apr 28. *(Invited)*.

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) in Fitzroy Crossing. University of Western Sydney 401047 Physiotherapy School 4<sup>th</sup> year students, University of Western Sydney, Sydney, Australia. 2014 Jan 25. *(Invited)*.

Elliott EJ. Fetal Alcohol Spectrum Disorders: Learnings from Australia. Royal Society of Medicine, London Intellectual Disability Conference, 2014. "Complex Needs - Children of Today, Adults of Tomorrow." London, United Kingdom. 2014 Jan 23. *(Keynote address)*.

Lucas BR. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder (FASD) in Fitzroy Crossing. Australian Catholic University 400 Physiotherapy School 2<sup>nd</sup> year students, Australian Catholic University, North Sydney, Australia. 2014 Jan 20. *(Invited)*.

Lucas BR. Are there gross motor deficits in children exposed to alcohol in utero or with a diagnosis of Fetal Alcohol Spectrum Disorders (FASD)? 1. A systematic review with meta-analysis. 2. Reliability of an assessment tool. Indigenous Health Symposium, Poche Centre for Indigenous Health, University of Sydney, Sydney, Australia. 2013 Nov 28. *(Oral presentation)*.

Lucas BR. Are there gross motor deficits in children exposed to alcohol in utero or with a diagnosis of Fetal Alcohol Spectrum Disorders (FASD)? National Indigenous Health Conference, Cairns, Australia. 2013 Nov 26. *(Oral presentation)*.

## Presentations (*continued*)

Elliott EJ, Oscar J. From Fantasy to Fact...and to the Future for Fetal Alcohol Spectrum Disorders (FASD) in Australia. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Plenary*).

Oscar J. From culture to community crisis to control: alcohol and FASD in the Fitzroy Valley. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Plenary*).

Fitzpatrick JP, Carter M. The Lililwan Project: FASD prevalence in the remote Fitzroy Valley communities. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Lucas BR. The Bruininks-Oseretsky Test of Motor Proficiency is reliable in children living in remote Australian Aboriginal communities. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Fitzpatrick JP, Oscar J. The Marulu Strategy: Making FASD history in the remote Fitzroy Valley communities. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Doney R. Diagnosing FASD in remote Australia: Cross-cultural considerations for neurodevelopmental assessment and diagnosis. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Lucas BR. Gross motor proficiency is impaired in children exposed to alcohol in utero. A systematic review and meta-analysis. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Fitzpatrick EF. A Systematic Review of Publications Evaluating Communication Methods for Seeking Consent for Research with Australian Indigenous Communities. Public Health Association of Australia (PHAA) and Foundation for Alcohol Research and Education (FARE) Australasian Fetal Alcohol Spectrum Disorders Conference: A time to learn, a time to act. Brisbane, Australia. 2013 Nov 19-20. (*Oral presentation*).

Lucas BR, Doney R. Assessment of Soft Neurological Signs; Gross and Fine Motor Skills, Visual Motor Integration and Sensory Processing in children with PAE or a FASD. FASD Diagnostic Workshop: Lessons from the Lililwan Project. Brisbane, Australia. 2013 Nov 18. (*Preconference event*).

Elliott EJ. Fetal Alcohol Spectrum Disorders. Australian Health and Medical Research Council of Australia 10th Aboriginal Drug and Alcohol Network Symposium. Sydney, Australia. 2013 Oct 15-17. (*Invited*).

Elliott EJ, Eadie SA. The Lililwan Project. Policy research and working with Government. How to get the work and how to do it. The George Institute for Global Health, Sydney, Australia. 2013 Oct 10. (*Invited*).

Oscar J, Davies J, Elliott EJ. FASD in Remote Australia: Marulu and the Lililwan Project. Institute of Health Economics. Edmonton, Canada. 2013 Sep 26. (*Invited*).

Oscar J, Davies J, Elliott EJ. Planning Family Support for FASD: an urgent service need for remote Australia. Sheway Community Program for Women and Children (Vancouver Native Health Society). Vancouver, Canada. 2013 Sep (*Invited*).

Lucas BR. Motor performance in children prenatally exposed to alcohol. The George Institute for Global Health Seminar Series. Sydney, Australia. 2013 Sep 25. (*Invited*).

Elliott EJ. FASD Prevention in Different Countries: Australia. First International Conference on Prevention of FASD. A Conference About Preventing Harm From Alcohol Use During Pregnancy. Edmonton, Canada. 2013 Sep 23-25. (*Invited plenary*).

## Presentations (continued)

Oscar J, Davies J, Elliott EJ. The Marulu Project: The Continuing Story... First International Conference on Prevention of FASD. A Conference About Preventing Harm From Alcohol Use During Pregnancy. Edmonton, Canada. 2013 Sep 23-25. (Panel session).

Elliott EJ. Chronic harms: FASD and Fitzroy Crossing Aboriginal community case study. Newcastle Community Drug Action Team (CDAT) Conference "AOD at the Crossroads". Newcastle Town Hall, Newcastle, Australia. 2013 Sep 16. (Invited).

Elliott EJ. FASD in Australia. WHO Guidelines Development Group Meeting. Geneva, Switzerland. 2013 Sep. (Invited).

Elliott EJ. Challenges in Addressing FASD. Fetal Alcohol Spectrum Disorders Symposium. International Congress of Pediatrics 2013 (ICP). The 27<sup>th</sup> Congress of the International Pediatric Association. Bridging the Gaps in Child and Adolescent Health. Melbourne, Australia. 2013 Aug 24-29. (Invited).

Elliott EJ. Lessons from the Lililwan Project. Fetal Alcohol Spectrum Disorders Symposium. International Congress of Pediatrics 2013 (ICP). The 27<sup>th</sup> Congress of the International Pediatric Association. Bridging the Gaps in Child and Adolescent Health. Melbourne, Australia. 2013 Aug 24-29. (Invited).

Fitzpatrick EF. The Picture Talk Project: Developing Culturally Appropriate Communication Methods for Seeking Consent for Research with Remote Aboriginal Communities. International Congress of Pediatrics 2013 (ICP). The 27<sup>th</sup> Congress of the International Pediatric Association. Bridging the Gaps in Child and Adolescent Health. Melbourne, Australia. 2013 Aug 24-29. (Invited).

Lucas BR. The Bruininks-Oseretsky Test of Motor Proficiency-Short Form is reliable in children living in remote Australian Aboriginal communities. Royal North Shore Hospital Physiotherapy Department. Physiotherapy Department 2013 Inservice Program. Sydney, Australia. 2013 Aug 22. (Invited).

Fitzpatrick JP. The Marulu Strategy and addressing FASD within disability services. Disability Services Commission (Western Australia). Statewide Specialist Services - Awards Forum. Perth, Western Australia. 2013 Aug 12. (Invited).

Elliott EJ. Around the world with paediatric research: 30 years of struggles and success. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2013. Sydney, Australia. 2013 Aug 2. (Plenary keynote address).

Lucas BR. Gross motor proficiency is impaired in children exposed to alcohol in utero or with a fetal alcohol spectrum disorders (FASD) diagnosis. A systematic review and meta-analysis. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2013. Sydney, Australia. 2013 Aug 2. (Invited).

Fitzpatrick EF. A Systematic Review of Publications Evaluating Communication Methods for Seeking Consent for Research with Australian Indigenous Communities. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2013. Sydney, Australia. 2013 Aug 2. (Invited).

Oscar J, Carter E, Elliott EJ. Addressing underlying issues: Community controlled approaches – Alcohol restrictions, FASD strategy and the Lililwan Project in the Fitzroy Valley. Aboriginal Peak Organisations Northern Territory. Central Australian Grog Summit. Alice Springs, Australia. 2013 Jul 30-31.

Elliott EJ, Latimer J for the Lililwan Project Investigators. Injury Before Birth: Foetal Alcohol Spectrum Disorders. Australian Injury Prevention Unit. Aboriginal and Torres Strait Islander Injury Prevention Symposium. The George Institute for Global Health. Sydney, Australia. 2013 Jul 26. (Invited).

Elliott EJ. FASD and the Lililwan Project. The role of men in preventing Fetal Alcohol Spectrum Disorders. Remote Communities Aboriginal Male Health Summit 2013 Time for Action. Central Australian Aboriginal Congress Inngintja Male Health and Wurli-Wurlinjang Health Service. Ross River, Western Australia. 2013 Jul 16-18. (Keynote address at invitation of Minister Hon. Warren Snowdon, Minister for Indigenous Health).

Lucas BR. What is our vision today for Indigenous health in 50 years? Allied Health Perspectives. University of Sydney Medical and Rural Societies. Sydney, Australia. 2013 Jul 9. (Invited).

Hand M, Lucas BR. The Lililwan Project and screening of the film 'Tristan'. Poche Centre Showcase, University of Sydney, Sydney, Australia. 2013 Jul 5. (Invited).

Hand M, Lucas BR. Indigenous Involvement in Research: The experiences of the Lililwan Project. Poche Centre Network Meeting, University of Sydney, Sydney, Australia. 2013 Jul 4. (Invited).

## Presentations (*continued*)

Oscar J, Fitzpatrick JP, Davies J, Elliott EJ, Latimer J. Marulu. Kimberley Diamond Dinner. Perth, Western Australia. 2013 Jun 27. (*Invited*).

Elliott EJ. FASD in Australia and lessons from the Lililwan Study. Child and Adolescent Mental Health, Kimberley Mental Health and Drugs Service. Broome, Western Australia. 2013 Jun 26. (*Invited*).

Elliott EJ. FASD in Australia and lessons from the Lililwan Study. Department of Child Protection, Kimberley. Broome, Western Australia. 2013 Jun 26. (*Invited*).

Latimer J. From Fitzroy Crossing to the United Nations: Grass roots advocacy at work. Screening of the documentary 'Tristan'. Graduate Diploma in Indigenous Health Promotion. School of Public Health, the University of Sydney. Sydney, Australia. 2013 Jun 22. (*Invited*).

Elliott EJ. Fetal Alcohol Syndrome: Lessons from Research. 1st Australasian Mental Health and Addiction Nursing Conference. Auckland, New Zealand. 2013 Jun 20. (*Invited International plenary address*).

Elliott EJ. FASD Round Table. Departments of Health and Ageing and Families, Housing, Community Services and Indigenous Affairs. Canberra, Australia. 2013 Jun 18. (*Invited*).

Elliott EJ. NSW Department of Families and Community Services Research Seminar Series: Fetal Alcohol Spectrum Disorders, 2013 Jun 11. DVD @ NSW FACS. (*Keynote presentation*).

Elliott EJ. Expert Panel Discussion (with Olwyn Neill, Sue Miers, Lorian Hayes, Ju Lee Oei and Kate Alexander). NSW Department of Families and Community Services. Research Seminar Series: Fetal Alcohol Spectrum Disorders. 2013 Jun 11. DVD @ NSW FACS.

Elliott EJ. What we've learnt from research about FASD in Australia. Research-to-practice Seminar on FASD. New South Wales Family and Community Services. Sydney, Australia. 2013 Jun 11.

Elliott EJ. Expert Panel. Research-to-practice Seminar on FASD. New South Wales Family and Community Services. Sydney, Australia. 2013 Jun 11.

Lucas BR. What Paediatric Physiotherapists need to know about Fetal Alcohol Spectrum Disorders. Australian Physiotherapy Association Paediatric Special Interest Group Webinar. Perth, Western Australia. 2013 Jun 11. (*Invited*).

Carmichael Olson H. Making a Difference with Fetal Alcohol Spectrum Disorders. Research in Action Highlights. Seattle Children's Research Institute. Seattle, United States of America. 2013 June. (*Invited*).

Fitzpatrick JP. Overcoming FASD in the Fitzroy Valley and screening of the documentary 'Tristan'. Western Australian Aboriginal Maternal and Child Health Conference. Duxton Hotel, Perth, Western Australia. 2013 May 29. (*Invited*).

Latimer J. Fetal Alcohol Spectrum Disorders and the Lililwan Project. Inner West Rotary Club, Sydney, Australia. 2013 May 29. (*Invited*).

Fitzpatrick EF. The Picture Talk Project: Developing culturally appropriate communication methods for seeking consent for research with remote Aboriginal communities. The Royal Australasian College of Physicians Future Directions in Health Congress 2013. Perth, Australia. 2013 May 26. (*Oral presentation*). Internal Medicine Journal 05/2013; 43:22-22.

Carmichael Olson H. Fetal Alcohol Spectrum Disorders: Responding to a Global Health Concern. Seattle Children's Research Institute, Center for Child Health, Behavior and Development. Seattle, United States of America. 2013 May 15. (*Invited*).

Elliott EJ. Childhood viral illness in remote Australia: lessons from Fitzroy Valley. Viruses in May Conference. Katoomba, Australia. 2013 May 10.

Lucas B. Advocating for FASD and screening of the documentary 'Tristan'. Royal North Shore Hospital Physiotherapy Department. Sydney, Australia. 2013 Apr 18. (*Invited*).

Latimer J. International Women's Day speech: Aboriginal women who inspire. New South Wales Department of Infrastructure and Planning. The American Club, Sydney, Australia. 2013 Apr 11. (*Invited*).

## Presentations (*continued*)

Lucas BR. The experience of the Lililwan Project. University of Western Sydney Undergraduate Bachelor of Health Science, Course: Culture, Diversity and Health (400866). Lecture Cultural Safety and Intercultural Communication Frameworks. University of Western Sydney Physical Education students from School of Science and Health, 4<sup>th</sup> year. Sydney, Australia. 2013 Apr 9. (*Invited*).

Lucas BR. The impact of prenatal alcohol exposure on gross motor skills. Poche Centre for Indigenous Health, School of Public Health, the University of Sydney Launch Strategy. Sydney, Australia. 2013 Apr 8. (*Invited*).

Elliott EJ. Partnerships for success: Benefits of research with ATSI peoples - the Lililwan Project in Fitzroy Valley. Poche Institute for Indigenous Health, University of Sydney. Launch. Sydney, Australia. 2013 Apr 7.

Lucas BR. What Paediatric Physiotherapists need to know about FASD. Australian Physiotherapy Association Paediatric Special Interest Group. Sydney, Australia. 2013 Apr 4. (*Invited*).

Fitzpatrick, JP. Healthcare across the continuum. Rural Health West Annual Conference. Pan Pacific Hotel. Perth, Western Australia. 2013 Mar 23. (*Keynote presentation*).

Elliott EJ, Carter M, Shaw S, Fitzpatrick JP. Tristan: living with FASD in remote Australia. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (*Invited*).

Martiniuk ALC, Elliott EJ, Fitzpatrick JP, Latimer J. Alcohol Use in Pregnancy in Remote Australia: The Lililwan Project. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (*Peer reviewed*).

Fitzpatrick E. Starting the Conversation: Seeking Consent for Research with Indigenous Populations. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (*Peer reviewed*).

Lucas BR. The Reliability of the Bruininks-Oseretsky Test for Motor Proficiency – Second Edition (BOT-2) in Children Living in a Remote Australian Aboriginal Community. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (*Peer reviewed*).

Elliott EJ, Bower C. Development of an Instrument for the Diagnosis of FASD in Australia. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (*Peer reviewed*).

Fitzpatrick JP, Elliott EJ, Latimer J, Oscar J, Carter M. Australian Aboriginal Communities Take Control to Address the Crisis of FASD: the Marulu Strategy and the Lililwan Project. 5<sup>th</sup> International Conference on Fetal Alcohol Spectrum Disorder 2013. Research, Results and Relevance: Integrating Research Policy, and Promising Practice around the World. Vancouver, Canada. 2013 Feb 27-Mar 2. (Included screening of the documentary 'Tristan'). (*Peer reviewed*).

Latimer J. Helping Aboriginal communities to combat fetal alcohol disorders and screening of the documentary 'Tristan'. The George Institute lunchtime seminar. Sydney, Australia. 2013 Feb 20. (*Invited*).

Lucas BR. What is FASD and screening of the documentary 'Tristan'. Northern Sydney Area Paediatric Physiotherapists. Sydney, Australia. 2013 Feb 11. (*Invited*).

Lucas BR. Advocating for FASD and screening of the documentary 'Tristan'. Royal North Shore Hospital Child Development Service. Sydney, Australia. 2013 Feb 6. (*Invited*).

Lucas BR. Physiotherapy in Chronic Illness and Disease (401047), Indigenous health Issues and Community Controlled Interventions. The Lililwan Project – working to overcome Fetal Alcohol Spectrum Disorder in Fitzroy Crossing. Physiotherapy School 4<sup>th</sup> year students, University of Western Sydney. Sydney, Australia. 2013 Jan 25. (*Invited*).

Elliott EJ. FASD in Australia. WHO Guidelines Development Meeting. Washington, United States of America. 2013 Jan.

Fitzpatrick JP. Brilliance and wisdom in prevocational medical education. 17<sup>th</sup> National Prevocational Medical Education Forum. Perth Convention Centre. Perth, Western Australia. 2012 Nov 20. (*Keynote address*).

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities. The Men's Shed. Fitzroy Crossing, Australia. 2012 Oct 18. (*Invited*).

## Presentations (continued)

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities. Fetal Alcohol Spectrum Disorder Leadership Meeting. Fitzroy Crossing, Australia. 2012 Sep 20. *(Invited)*.

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities. Fitzroy Valley Future's Forum. Fitzroy Crossing, Australia. 2012 Sep 19. *(Invited)*.

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities. Marninwarntikura Women's Resource Centre. Fitzroy Crossing, Australia. 2012 Sep 18. *(Invited)*.

Latimer J, Elliott EJ, Oscar J. Screening of the documentary 'Tristan' and presentation to Members of Parliament in conjunction with the Launch of the Australian Fetal Alcohol Spectrum Disorder Action Plan 2013-16. Parliament House. Canberra, Australia. 2012 Sep 12. *(Invited)*.

Elliott EJ, Hand M. Screening of the documentary 'Tristan'. Families of Children with Disabilities Conference. Adelaide, South Australia. 2012 Aug 24. *(Invited)*.

Latimer J. Careers beyond borders. Young UN Women Australia. Footbridge Theatre. University of Sydney. Sydney, Australia. 2012 Aug 22. *(Invited)*.

Elliott EJ, Latimer J, Fitzpatrick E. Drinking for two - stopping the harm from alcohol in pregnancy. 21st Century Medicine: today's research, tomorrow's healthcare. The University of Sydney Medical Alumni Association. Sydney, Australia. 2012 Aug 15. *(Public hearing)*.

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities. The University of Sydney, Discipline of Paediatrics and Child Health Postgraduate Research Student Conference 2012. Sydney, Australia. 2012 Aug 10. *(Invited)*.

Lucas BR. The reliability of the Bruininks-Oseretsky Test for Motor Proficiency – Second Edition (BOT-2) in children living in a remote Australian Aboriginal community. Postgraduate Studies Conference. Sydney, Australia. 2012 Aug 10. *(Invited)*.

Doney R. Screening of the documentary 'Tristan'. North West Occupational Therapy Symposium. Broome, Western Australia. 2012 Aug 9. *(Invited)*.

Latimer J. Community engaged research: Marulu and the Lililwan Project. Philanthropy Australia. The George Institute for Global Health. Sydney, Australia. 2012 Aug 1. *(Invited)*.

Latimer J. A journey into Indigenous Health. Doctor of Physiotherapy students, Faculty of Human Sciences, Discipline of Physiotherapy. Macquarie University. Sydney, Australia. 2012 Aug 1. *(Invited)*.

Elliott EJ. Presentation to Year 10 Geography students, SCEGGS. Sydney, Australia. 2012 Aug. *(Invited)*.

Elliott EJ. Feedback from the Lililwan Project. Marninwarntikura Women's Bush Meeting. Mimbi, Fitzroy Valley, Western Australia. 2012 Jul 11. *(Invited)*.

Hand M. Screening of the documentary 'Tristan'. Marninwarntikura Women's Bush Meeting. Mimbi, Fitzroy Valley, Western Australia. 2012 Jul 10. *(Invited)*.

Elliott EJ, Fitzpatrick JP. Drinking for two - Stopping the harm from alcohol in pregnancy - A community led collaboration with remote indigenous Australia. 21<sup>st</sup> Century Medicine Series. The Children's Hospital at Westmead. Sydney, Australia. 2012 Jul. *(Invited)*.

Oscar J, Hand M. Screening of the documentary 'Tristan'. Kimberley Diamond Company and Variety Western Australia Dinner. Perth, Western Australia. 2012 Jul. *(Invited)*.

Latimer J. Screening of the documentary 'Tristan'. Graduate Diploma in Indigenous Health Promotion. The University of Sydney. Sydney, Australia. 2012 Jun 20. *(Invited)*.

Fitzpatrick JP, Elliott EJ, Latimer J, Oscar J, Carter M. The Lililwan Project. Update to the Western Australia Drug and Alcohol Office. Western Australian Drug and Alcohol Office. Perth, Western Australia. 2012 Jun 19. *(Invited)*.

Fitzpatrick JP, Elliott EJ, Latimer J, Oscar J, Carter M. Overcoming FAS, and inspiring dreams in remote communities. Telethon Institute for Child Health Research. Perth, Western Australia. 2012 Jun 16. *(Invited)*.

## Presentations (continued)

Fitzpatrick E. Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities of the Fitzroy Valley. Fitzroy Valley Future's Forum. Fitzroy Crossing, Australia. 2012 June 12. *(Invited)*.

Latimer J, Elliott EJ, Fitzpatrick JP. The Lililwan Project and screening of the documentary 'Tristan'. Ashurst Australia Staff Teleconference Presentation to offices in Sydney, Perth, Melbourne, Brisbane, Adelaide. 2012 May 30. *(Invited)*.

Gooda M, Oscar J, Elliott EJ, Latimer J, Hand M, Carmichael Olson H. Screening of the documentary 'Tristan'. Eleventh Session of the Permanent Forum on Indigenous Issues. United Nations Headquarters. New York, United States of America. 2012 May 10. *(Invited)*.

Fitzpatrick JP, Elliott EJ, Latimer J, Oscar J, Carter M. The Lililwan Project FASD Prevalence study. Western Australia Government Standing Committee on Education and Health. Western Australia Parliament. Perth, Western Australia. 2012 May 9. *(Invited)*.

Fitzpatrick E. The Picture Talk Project: Developing culturally appropriate communication methods for seeking consent for research with Aboriginal communities of the Fitzroy Valley. Qualitative Research Support Group. Children's Medical Research Institute, The Children's Hospital at Westmead. Sydney, Australia. 2012 May 8. *(Oral presentation)*.

Doney, R. The Lililwan Project: Assessing children for FASD in the Fitzroy Valley. Western Australia Developmental Occupational Therapist Group (state-wide). Perth, Western Australia. 2012 May 4. *(Invited)*.

Elliott EJ. The Lililwan Project: Tackling Fetal Alcohol Spectrum Disorders in the Fitzroy Valley and Australian Aboriginal Child Health Modules. Grand Rounds – The Children's Hospital Westmead, Sydney, Australia. 2012 May. *(Invited)*.

Fitzpatrick JP, Oscar J, Carter M, Latimer J, Elliott EJ. FASD in Aboriginal Independent Schools - what we know and how we can work together. Association of Independent Schools (Western Australia) Annual Conference. Broome, Western Australia. 2012 Apr 24. *(Invited)*.

Carmichael Olson H. Another Contemporary Variation on Screening & Diagnosing: Meeting Real World Challenges in the Australian Outback. Interagency Coordinating Council on FASD. Rockville, United States of America. 2012 Apr. *(Public hearing)*.

Carmichael Olson H. Screening and Diagnosing FASD – Lessons from the Australian Outback. Diagnostic Workgroup Meeting, Coordinating Council on FASD. Rockville, United States of America. 2012 Apr. *(Invited)*.

Carmichael Olson H. FASD among children in the Australian outback: Responding to a global health concern. Seattle Children's Hospital, Child Psychiatry Grand Rounds. Seattle, United States of America. 2012 Apr. *(Invited)*.

Latimer J, Elliott EJ, Fitzpatrick JP. The Lililwan Project. The George Institute for Global Health General Staff Meeting. Presented to offices in Sydney, Oxford, Beijing and Hyderabad. 2012 Apr. *(Invited)*.

Latimer J. Screening of the documentary 'Tristan'. The George Institute for Global Health General Staff Meeting, Sydney, Australia. 2012 Apr. *(Invited)*.

Latimer J, Oscar J, Hand M. Launch of the documentary 'Tristan'. Hosted by The Governor General of Australia, Dame Quentin Bryce, and Mr Michael Bryce AM AE. Admiralty House. Sydney, Australia. 2012 Apr. *(Invited)*.

Fitzpatrick JP. Tackling FASD in the Fitzroy Valley. Western Australian FASD Forum, Telethon Institute for Child Health Research and the WA Drug and Alcohol Office. Perth, Western Australia. 2012 Feb. *(Invited)*.

Lucas BR. The Lililwan Project and its model of local engagement. Royal North Shore Hospital Joint Physiotherapy Journal Club. Sydney, Australia. 2011 Dec. *(Invited)*.

Lucas BR. FASD and the Lililwan Project. Royal North Shore Hospital Paediatricians. Sydney, Australia. 2011 Dec. *(Invited)*.

Latimer J, Elliott EJ, Fitzpatrick JP. Update on the Lililwan Project and screening of the documentary 'Tristan'. Parliamentarians for the Prevention of FASD, House of Representatives. Parliament House. Canberra, Australia. 2011 Nov 23. *(Invited)*.

Latimer J, Elliott EJ, Fitzpatrick JP. Update on the Lililwan Project and 'Tristan'. Federal Disability Commissioner, Australian Human Rights Commission. Sydney, Australia. 2011 Nov 9. *(Invited)*.

## Presentations *(continued)*

Latimer J, Elliott EJ, Fitzpatrick JP. Update on the Lililwan Project – A prevalence study of FASD in a remote Aboriginal community and ‘Tristan’. Australian Human Rights and Equal Opportunity Commission. Sydney, Australia. 2011 Nov 7. *(Invited)*.

Fitzpatrick JP, Elliott EJ. The Lililwan Project: A prevalence study of FASD in a remote Aboriginal community. Grand Rounds – The Children's Hospital Westmead, Sydney, Australia. 2010 Aug. (Oral presentation).

## 8) Funding and Research Grants

### Funding and research grants to conduct the Lililwan Project

Australian Government Department of Health and Ageing (DoHA) funding. The Lililwan Project: A study of the prevalence of Fetal Alcohol Spectrum Disorders (FASD) in the Fitzroy Valley. \$915,031. 2010-13.

Australian Government Department of Families, Housing, Community Services and Indigenous Affairs (FaHCSIA) funding. Foetal Alcohol Syndrome Disorder Study – Fitzroy Crossing. \$965,032. 2010-13.

National Health and Medical Research Council of Australia (NHMRC) research grant. APP1024474. \$751,495. 2012-15.

Foundation for Alcohol Research and Education (FARE) funding. Marulu Film Project. \$40,000. 2011-13.

Save the Children Australia funding. Employment of Community Navigators. \$60,000. 2011-12.

Pro bono support was provided from the Australian Human Rights Commission, M&C Saatchi and Ashurst Australia Lawyers.

### Other funding and research grants on FASD awarded to CIs following the Lililwan Project

NHMRC APP1110341. Reducing the Effects of Antenatal Alcohol on Child Health (REAACH) Centre for Research Excellent. \$2,497,397. 2015-20.

NHRMC APP1105000. Making Fetal Alcohol Spectrum Disorders History in the Pilbara: An evidence-based prevention intervention. \$1,703,824. 2016-20.

NHMRC APP1086145. The Alert Program: An evidence based treatment program for Aboriginal children living with FASD (Fetal Alcohol Spectrum Disorder). \$1,150,279. 2015-18

NHMRC APP1068620. Behaviour support training for Fetal Alcohol Spectrum Disorder research grant. \$640,417. 2013-16.

NHMRC APP1072542. The Cherbourg Project: Building capacity for FASD screening and diagnosis research grant. \$693,728. 2013-16.

NHMRC APP1011070. Asking QUestions About Alcohol research grant. \$1,316,443. 2011-16.

Australian Government Department of Health funding. Diagnostic tool for Fetal Alcohol Spectrum Disorders in Australia. \$1,000,000. 2014-17.

**Other funding and research grants on FASD awarded to CIs following the Lililwan Project (continued)**

Australian Government Department of Health funding. National FASD Technical Network. \$100,000. 2014-16.

Australian Government funding. \$10,000,000 to reduce the occurrence of FASD focusing on prevention of FASD in high risk remote and rural communities. Activities will include establishing a FASD Clinical Network, a FASD diagnostic clinic, a Model of Care for Communities and expanding the FASD Technical Network. 2016-17.

**9) Ethics applications and reports**

<b>Stage 1</b>	<b>Submission date</b>
<b>University of Sydney Human Research Ethics Committee</b>	
Completion Report	2015 Feb 2
Annual Report	2014 Feb 13
Annual Report	2013 Feb 21
Annual Report	2012 Feb 28
